PERSONAL INFORMATION

I started my career back in the Philippines where I gained experience and knowledge with various graphic applications. I have skills in graphic design, video, motion graphics and 3D. My skills are very flexible in any type of design and multicultural environment.

WORK EXPERIENCE

Multimedia/Graphic Designer

MediaPhone LLC

Dubai, UAE

October 2007 - to Present

Responsible for creating template graphics and animations for SMS TV System for music channels clients.

Motion Graphics and editing for company's plan venture into broadcasting. Created corporate presentations and collaterals for the company and its marketing tools.

Multimedia/Graphic Designer

Midtown Printing Corp.

Davao City, Philippines

December 2004 – October 2007

Worked with the multimedia department as team leader, graphic and lay-out designer for interactive yearbook, dvd videos and layout design. Created and designed motion graphics for school, corporate presentation and weddings.

FREELANCE PROJECTS

Emirates Post Services Ad

Pantones Advertising Dubai

Created motion graphics showing the wide array of services Emirates Post delivers. Client was very satisfied with the output.

Uneeq Entertainment Dubai

I did additional editing for their videos which highlights their artist, talent and services. I also optimized their videos for uploads to their websites.
